### 5.2 Notice to Competitors

#### Dinghies: Start of the 2019 Season

The first Saturday of Dinghy Racing is scheduled for Saturday 30<sup>th</sup> March 2019. Berthing and Dry-side storage for dinghies is usually available from 1<sup>st</sup> April each year.

For this 2019 year, it will be possible to bring your dinghy to the Club any time from noon Friday 29<sup>th</sup> March 2019, in readiness for the racing season.

You may not be allocated your final berth / yard space until the early part of April.

If you wish to take up this facility, you need to advise the Office in advance of Thursday 28<sup>th</sup> March so that "early arriving dinghies" may be more easily accommodated, bearing in mind there may well still be a number of Cruisers in the Yard.

## 6 Measurement

- 6.1 Dinghies shall be in possession of a valid and current measurement certificate as required by their class rules.
- 6.2 All non-handicap classes shall be in compliance with their class rules.
- 6.3 No alteration to a boat's rating/handicap will be permitted during a race series except as a result of a rating/handicap protest or to correct a rating/handicap authority error.
- 6.4 Cruisers will comply with the relevant rating system measurement system requirements.

## 7 Cruiser Handicap Classes

- 7.1 Allocation of boats to classes may be decided and imposed by the organising authority and published on the Cruiser Notice Board.

## 8 Dinghy Handicap Classes

- 8.1 The dinghy handicap classes will race using the RYA Portsmouth Yardstick scheme in the following classes: -

Class	Portsmouth Yardstick Numbers
T	1201 and above
E	1025 to 1200 Inc.
F	1001 to 1024 Inc.

- a. Boats shall not be required to carry a radar reflector.

  - c. Any boats that do not comply fully with the requirements may apply to the Poole Yacht Club Sailing Committee for written dispensation against specific requirements.

## **13 Definitions**

- 13.1 A boat is defined as the crew, and sailing yacht or dinghy entering any of the races within this programme.

## **14 Risk Statement**

Rule 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing by its very nature is an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- 14.1 They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- 14.2 They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- 14.3 They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- 14.4 Their boat is in good order, equipped to sail in the event and they are fit to participate;
- 14.5 The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- 14.6 The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- 14.7 (Especially Offshore Races and/or Longer Distance Races)  
They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather, that there is a crew sufficient in number, experience and fitness to withstand such weather, and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
- 14.8 They will use their best endeavours to advise the Race Management Committee of any incidents on the water affecting safety. Appropriate forms will be available in the Sailing Office.

## **15 Insurance**

The boat must be adequately insured, with cover of at least £3,000,000 against third party claims.

There are often rally participants departing early and returning late for those who wish to cruise in company. Members should make their own passage plan but are advised to cruise in company.

All our events are subject to change/cancellation due to unforeseen circumstances/weather and are advertised by email and on the Cruising Section notice board in the club. Sign up to this free service by emailing "Please add me to the PYC Cruising Section list." to [pyc.cruising.section@gmail.com](mailto:pyc.cruising.section@gmail.com)

## Club Adult and Youth Sailing Training

The objective of the training programme at Poole Yacht Club is to provide safe and enjoyable dinghy sailing training for all members, integrated within the core sailing activities of the Club.

**Junior and Youth training** takes place on a Wednesday evening, with Junior sailing being run in accordance with the RYA sailing training syllabus. Junior sailors progress from RYA level 1 to RYA Start Racing.

The adult training programme is based on a pathway approach:

Beginner → Novice → Improver → Free Sailing and Club Racing

**Beginner RYA Level 1** - for members who have no or very little sailing experience. Run over specific weekends and weekdays and is a two day course, please see the dates in the Sailing programme. These will support people to achieve their RYA level 1 and after completion of the course you will be confident sailing across the wind, taking (turning the boat through the wind) and sailing on all points of sail. Beginner training is done using club boats. The training is run by Katie Hooper (Sailing Pro). To book onto a Level 1 course please visit; <https://webcollect.org.uk/pycracing>.

**RYA Level 2** – This is a Two day training course to gain RYA Level 2 runs over specific weekends and weekdays, please see the dates in the Sailing programme. The RYA Level 2 course will build on from the RYA Level 1 course and you will improve your tacking and Gybing, 5 essentials, manoeuvres and focus on improving your personal sailing skills. The training is run by Katie Hooper (Sailing Pro). To book onto a Level 2 course please visit; <https://webcollect.org.uk/pycracing>.

**Improver** - for those who have completed the beginner RYA level 1 course and are looking to improve their sailing skills. Instruction in this group will concentrate on skills needed to take part in club racing and on building confidence so sailors can enjoy “cruising” dinghy sailing in all areas of the harbour. Improver 2 sailing will take place Monday evenings and each course will run over and 7 week period, April –September. To book onto the Improver Sailing and to see dates please visit; <https://webcollect.org.uk/pycracing>.

**Private Lessons** – Private Dinghy sailing lessons can be booked with Katie Hooper directly and are subject to availability. Lessons can be 1 hour, 3 hours or a full day (6 hours). Whether you’re a complete beginner or want to cover something specific then this can be done. Please email; [sailing@pooleyc.co.uk](mailto:sailing@pooleyc.co.uk) for more information and bookings.

**Free Sailing** – for those who can sail independently, i.e. with safety cover but without instruction, and who wish to sail in company of other dinghies instead of, or as well as, taking part in club racing. Free sailing will take place on Friday evenings as the Friendly Fridays group and after completion of either the Novice or Improver group we also have a free sailing group on a Monday evening.

**Boat Hire** - Club-owned boats can be hired by members ([pycbookaboat.com](http://pycbookaboat.com)) in order to take part in the above training groups. Members can also use their own dinghies in the Improver, Free Sailing and Club Racer groups.

Training is open to all members. To find out more or to enquire about joining PYC and learning to sail, there is further information on the club website, or [Sailing@pooleyc.co.uk](mailto:Sailing@pooleyc.co.uk)
